YOURS

Yours to keep

site and domain in your name

01 WHERE WE STARTED

What we built it around.

01

We are full service dealers for EAVision ag drones.

From your Services page, out of the back pages and onto the front. Option 1 hovers the EAVision J100 huge on your own logo blue, its shadow falling across the words.

02

Serving southeast Iowa for years to come.

From your About page. Option 2 cuts a slice through the ground you work: your own spray footage on top, the soil below it, and the coal seam of the town your name comes from at the bottom.

03

Aerial application with drones.

From your homepage. Option 3 is light and open: your own lift-off clip from the trailer over corn rises from a tall plate, and the whole page turns to sky as the camera tilts up after the drone.

02 WHAT YOU GET

Pay for the website. Get the whole launch.

01	**The website** Up to five pages built out from the top you've just seen, in the same look, with your own words and footage: aerial and ground application, drone sales and service, and the two of you. On your domain within a week of saying go.	$2,500
02	**A launch promo** A short animated video made from your own photos and words, sized for Instagram, Facebook and anywhere else you post.	$140
03	**A launch email** Designed and written for the growers who already know you, so they hear about the new site, and the next season, from you.	$350
04	**A launch ad set** Twelve ads, each sized for feeds and stories, with moving versions of the best four.	$350
05	**A phone receptionist, first month** From Hire Whoever, our sister company: a voice assistant built around your business that picks up your line when you can't. You teach it by text, and every call it takes becomes a short written record you can read after.	$105
06	**30 days of changes** Text or email us what to change. It's live the next business day.	$35

PLUS, WHEN YOU SAY GO BEFORE 6 NOVEMBER 2026

BONUS	**Email setup and list import** We set up your email sending and bring your customer list over, ready for the launch email.	$180

TOTAL VALUE	YOU PAY	THE ONE-WEEK PROMISE
~~$3,660~~	$2,500	If the site isn't live within a week of go, your first three months of changes are free.

ALL PRICES IN US DOLLARS. EACH VALUE IS OUR OWN PRICE FOR THAT PIECE ON ITS OWN.

06 QUESTIONS

The usual questions.

01

Will moving hurt my Google ranking?

We move it carefully. Every page address on your current site keeps working or forwards to its new page, and your titles and business details carry over, so nothing Google already knows about breaks. The new site is fast and built for phones first, which Google rewards. We don't promise rankings.

02

Is it secure?

Yes. No WordPress or plugins to keep patching, modern hosting with SSL, and every version saved, so any change can be rolled back.

03

Who owns it?

You do. The site and the domain are in your name, not ours. Hosting is included and nothing renews unless you ask. If you ever want to move it, you get every file.

04

How do I make changes?

Text or email me the change and it's live the next business day. The first 30 days are free. After that, unlimited changes come with any monthly plan, from $250 a month, cancel anytime.

05

When do I pay?

Half ($1,250) when you say go, the rest ($1,250) when the site is live. You've seen the homepage before paying anything.

06

What if the brands I carry change?

Then the site changes with it. Product pages are built to swap, and I'll redo them before launch if your lineup changes.
